

Valley Forward's EarthFest

Educators Night 2008

Preview K-12 environmental education
resources for your classroom!

4-7 p.m., Thursday, October 30th
at The Phoenix Zoo

- Learn** about environmental education opportunities in a fun-filled evening
- Enjoy** complimentary refreshments while you preview exhibits and displays
- Discover** new curriculum and activities
- Network** with your peers and meet community leaders
- Receive** an environmental education giveaway for your classroom
- Enter** our free raffle for other great prizes
- Hear** about Valley Forward's EarthFest Education Grant opportunity

ADMISSION IS FREE; RESERVATIONS ARE REQUIRED!

Valley Forward and Freescale Semiconductor, along with our event partners, are pleased to present this annual event for K-12 teachers throughout Arizona. In addition, applications for our EarthFest Education Grant made possible by STMicroelectronics is available at www.valleyforward.org, awarding more than \$5,000 to teachers for environmental education programs in their classroom, at their school or in their community.
